Style completes contract to furnish new offices for

Furnishings:

- Sebastien Office Index Furniture
- Sebastien System II Screens
- Nomique Seating
- ACF Seating
- Sebastien Boardroom & Meeting Room furniture
- Flexiform JOT Steel Storage

Furnishings:

George Wimpey selected Style Office Solutions after completing a tender selection process. It chose the Sebastien Index range of desking and screens along with chairs from ACF and Nomique and the new JOT steel storage system from Flexiform. The Index range of desking along with the colour scheme chosen gave the office a very stylish, contemporary feel. The furniture was a big change from the previous office which was based within a housing development project with larger traditional desks.

Sarah Garden of George Wimpey commented ...

"Style Office provided a good range of products and has delivered them to the agreed specification and on time. Style has proved flexible and creative in helping us define our furniture needs. The organisations response remained good throughout the project—we are very pleased with the results."
